

John Deere Volunteer Time Matching

This short guide is meant to help Deere employees enter time volunteered with helping out PV X-plosion softball teams. Time is tracked on the Deere fiscal year calendar on a November to October basis. For every hour volunteered time-wise, Deere will match with a \$25 donation up to \$1,000 for the fiscal year.

The website for keeping track of this is <https://deere.benevity.org/>. It looks something like the following screenshot:

On the page, hover the cursor over the Volunteer block in the middle of the page and then click on “Track Volunteer Time.” It will open a page where the volunteer event can be recorded.

The screenshot shows the "Track External Volunteering" form. The form title is "TRACK VOLUNTEER TIME Track External Volunteering". It asks "What did you volunteer for?" with a radio button selected for "A specific cause". Below this is a search box with "United States" selected in a dropdown menu and a "Search" button.

In the Search text box type “Pleasant Valley Girls Fastpitch” and click on the Search button.

The search will bring back a choice for the Pleasant Valley Girls Fastpitch Softball Association. PV X-plosion teams are a part of the PVGFSA which is a 501(c)3 organization that is federally tax-exempt and a registered non-profit in the state of Iowa.

Click the “+Add” button and then scroll down to answer the remaining questions.

What did you volunteer for?

A specific cause

What cause did you volunteer for?

No cause attached
